MEMORANDUM

TO: Superintendent of Schools, Eastern Suffolk BOCES

FROM: David Wicks, District Superintendent

DATE: April 24, 2018

RE: Student Data Privacy Public Forum

As you may be aware, the New York State Education Department is seeking stakeholder and public input as it develops regulations implementing New York's student data privacy law, Education Law §2-d. They are seeking input specifically on (i) student data privacy; and (ii) suggestions for possible additions to the 2-d bill of rights for data privacy and security. To facilitate this, 14 public forums have been scheduled across the state to gather feedback.

PUBLIC FORUM PARTICIPATION

To participate at one of the public forums, individuals must register at the location upon arrival. Registered individuals will be assigned a number, which will indicate the order in which they will speak during the forum. To allow for as many speakers as possible, each person will have a maximum of three minutes to speak.

Eastern Suffolk BOCES will be hosting a public forum on Thursday, June 7, 2018, from 6:00 p.m. to 8:00 p.m., at the James Hines Administration Center, 201 Sunrise Highway, Patchogue, New York (directions attached).

I would like to extend an invitation for you to attend this forum. In addition, I kindly ask that you share this information with the members of your school district, as this meeting is open to all who would like to attend. If you or members of your school district would like to attend the Student Data Privacy Public Forum, please contact Kathy Maue at [kmaue@esboces.org](mailto:kmaue@esboces.org) by Friday, May 18, 2018, with the following information:

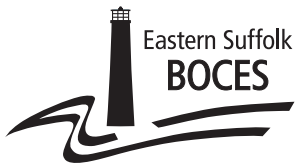

1. Name of attendee
2. Title/Affiliation of attendee
3. School district that the attendee represents

ONLINE SUBMISSIONS

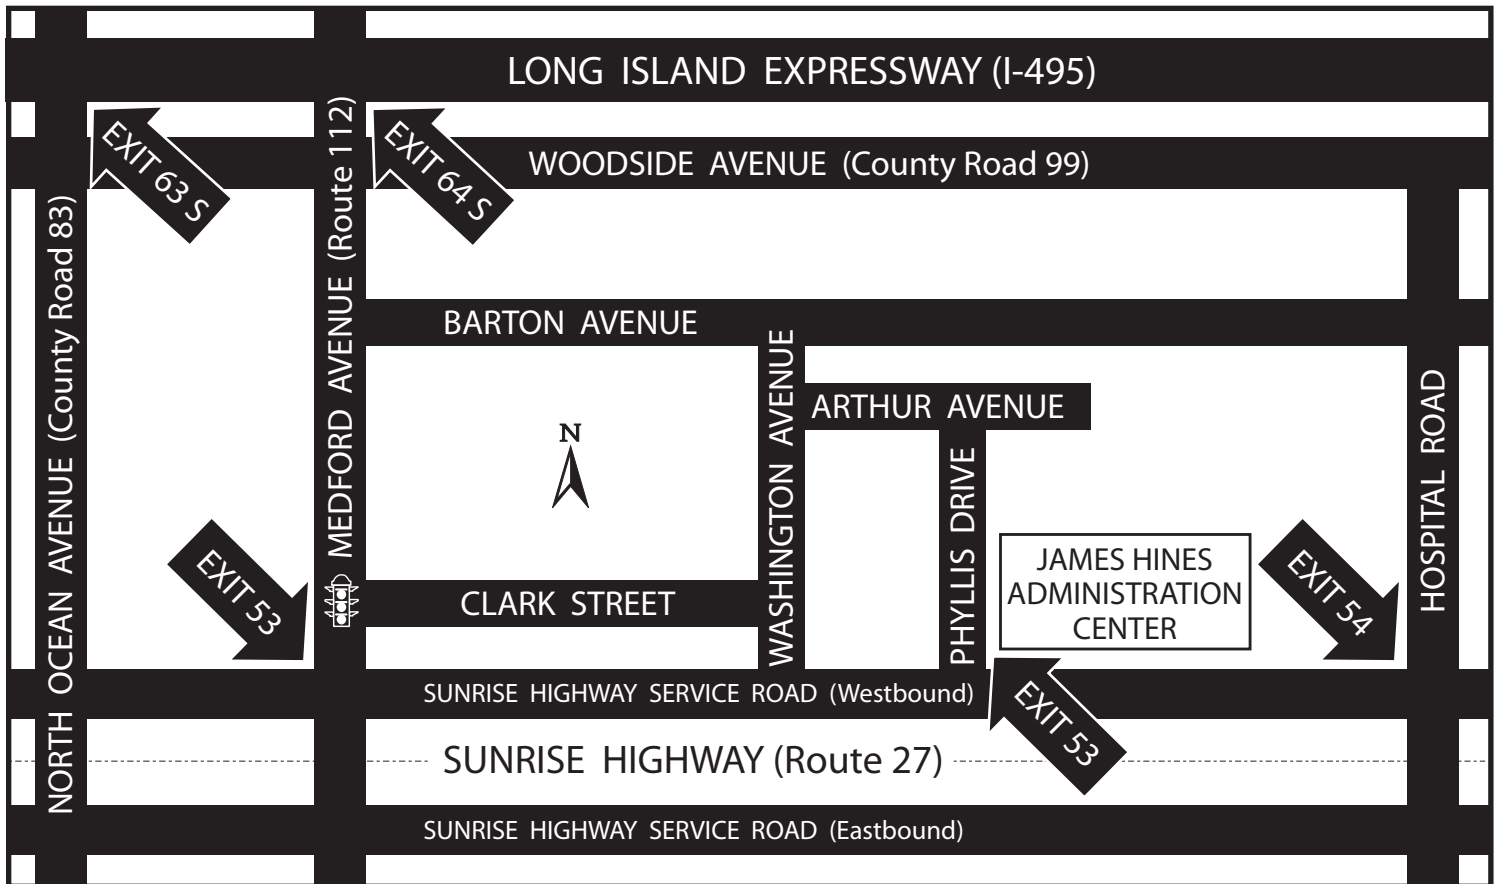

Written comments may be submitted electronically beginning May 2 and ending close of business on June 18 to [PrivacyForumComment@nysed.gov](mailto:PrivacyForumComment@nysed.gov). The forums are scheduled for two hours and so there are limited speaking spots. If there are more speakers at a forum than available speaking slots, individuals who are unable to submit their comments in person may do so electronically at [PrivacyForumComment@nysed.gov](mailto:PrivacyForumComment@nysed.gov). The Department will review all comments submitted. For more information about Student Data Privacy and Education Law 2-d, please visit the Department's website: <http://www.nysed.gov/student-data-privacy>

I appreciate your assistance in reaching out to potential participants. If you have any questions, please do not hesitate to contact me at [dwicks@esboces.org](mailto:dwicks@esboces.org).
