

**WEST ISLIP**  
**Health and Wellness**  
**COMPASS Coalition**  
**PRESENTS**  
**"No, Not My Kid!"**  
**What you need to know about the**  
**prescription drug epidemic on Long Island**

The Coalition is pleased to offer this program, *free of charge*, to our community.

**Keynote Speakers**

*The Fallen on Long Island: Susan Roethel*  
*and*  
*Suffolk County's Sheriff's Office: Bryan Stoothoff*

**Workshops:**

- 1) ***Navigating the Party Years!*** - Presenter: Christine Herzlinger, WI Parent  
Negotiating the party rules *prior* to party time. Workshop provides you with information and skills to work out a plan with your teen *before* the party takes place.
- 2) ***The Affects of Alcohol & Drugs on the Adolescent Brain*** - Presenter: Stephanie Sloan, Director of Prevention, Youth Enrichment Services (YES)  
The human brain continues to develop to its full potential until age 25. Know the facts! This workshop provides insight into the affects of alcohol on the developing brain of an adolescent.
- 3) ***Q & A: Everything You Wanted to Know about Opiates But Were Afraid to Ask:***  
Officer Stoothoff will be available to answer all questions regarding opiates, as well as the latest drug trends in our neighborhoods.

**Date:** Tuesday, March 5, 2013  
**Time:** 7:00 P.M.  
**Where:** Beach Street Middle School Auditorium

*Please visit the district's website for more information on these workshops.*
