James Bosse
Director of Buildings and Grounds

Buildings & Grounds Committee Meeting

Date: December 8, 2015
Time: 8:18 p.m.
Location: District Office Board Room

Members in attendance: K. O'Connor, B. Ulrich, B. Burns, W. Duffy, J. Bosse
Others in attendance: S. Gellar, S. Brady, M. Zotto
R. Smith, G. Robertson (BBS Architects & Engineers)

The committee adjourned to Executive Session at 8:19 for the purpose of discussing personnel, negotiations and/or litigation. The meeting reconvened at 9:33 p.m.

1. *Storage:* The West Islip Soccer Club would like to purchase and add another twenty foot container to be placed on the Udall field. Currently, there are two other storage containers on the Udall field, in addition to the vending trailer. The Board will take this under advisement.
2. *Security cameras:* Mr. Bosse is in the process of touring district schools with Mr. Nicolosi and the building principals to finalize the locations of the first stage of the camera installations. Each elementary and middle school will get 3 exterior cameras and 6 interior cameras. The high school will get approximately 16 exterior and 47 interior cameras. The athletic/turf field complex will also have cameras installed. This system is fully expandable for additional cameras at any location down the road, which bond funds may allow.
3. *High School PA/intercom systems:* Repairs to speakers or wall phones continue on a regular basis, an extensive overhaul is required at the high school.
4. *Boiler inspections:* The annual boiler safety inspections were recently completed by the district's insurance company and certified DOL inspector. Some minor issues were found such as a faulty pressure relief valve and clouded sight glass. These items are being addressed. All building boilers passed on the day of inspection.

The meeting adjourned at 9:50 p.m.
