- I. IB Diploma Programme
The district is currently seeking ways to grow the program. Building leaders, directors and counselors have met to discuss results, look at current enrollment, and solicited feedback from our diploma and certificated students.
- II. Curriculum Council has adopted a procedure for a Program Review Process. Key components include:
 - Defining a purpose
 - Selecting Program Evaluation Team
 - Determine Program Evaluation Research Questions
 - Identifying Data Collection Method
 - Establish a timeline
 - Assign responsibilities
 - Identifying resources.Programs identified to be reviewed this school year are Achieve 3000 and Integrated Special Education Program We also discussed reviewing the Go Math! program for future discussion.
- III. Course Proposals Requests – currently we are working on next year's course offerings to ensure they align with our goal of opportunities in an economically feasible manner.
- IV. The Professional Development Committee is nearing their completion of a multi-year plan.

The meeting adjourned at 7:46 p.m.
