Buildings & Grounds Committee Meeting

Date: March 10, 2015
Time: 7:32 p.m.
Location: District Office Board Room

Members in attendance: S. Brady, R. Ulrich, B. Burns, W. Duffy, J. Bosse
Others in attendance: S. Gellar, A. LaRosa

1. Grounds

- a. ***Due to more stringent construction codes, the support beams already in the ground may need to be reinforced in order to install the new turf scoreboard.*** Mr. Bosse will investigate, obtain quotes, and report back to the committee at the April meeting.
- b. The West Islip Beautification Committee would like to build a gazebo on the library property or other district location. The committee discussed a variety of options, but concerns about parking, field access, ***and how use would be managed*** were expressed, among others.

2. Facility fees

- a. The committee reviewed the information provided by two of the three dance groups. As previously discussed, some events have resulted in a deficit for the district, and the committee will review the fee structure for the upcoming school year based on information provided by the Office of Buildings and Grounds.

3. Bond

- a. A comprehensive list of items was reviewed, including concerns raised during the Board's tour of the seven district buildings. The district will consult with BBS to obtain preliminary costs to determine which items may be included in a proposed bond.
- b. The timeline was discussed. The committee suggests a final list be drafted by May, and a bond vote held in October.

The meeting adjourned at 8:32 p.m.
