BUILDINGS & GROUNDS COMMITTEE REPORT**

COMMITTEE NAME: Buildings & Grounds Committee

DATE OF MEETING: Wednesday, September 12
District Office

COMMITTEE MEMBERS PRESENT: S. Brady, K. O'Connor

BOARD MEMBERS IN ATTENDANCE: S. Gellar, R. Maginniss, R. Antonello

ADMINISTRATORS PRESENT: B. Burns, E. Pellati, J. Bosse

MEETING REPORT

The meeting was called to order at 7:45 p.m.

- Mr. Bosse reported that he will be working with the new Director of School Safety on revamping grounds security for the district. With the addition of the new Barberry turf field and the soon to be installed security vestibules in the buildings, a full review of grounds security will be undertaken. This will be discussed further at future B&G committee meetings.
- As reported previously, the cost of the bond project is being reviewed to determine where we stand on cost to date versus what was budgeted for Phases 1 through 3. While some costs are not final yet, it is anticipated we are running under budget. Mr. Bosse presented a lengthy list of items, which the committee discussed.

The meeting was adjourned at 8:50 p.m.
