Buildings & Grounds Committee Meeting

Date: December 10, 2019
Time: 7:50 p.m.
Location: District Office Board Room

Members in attendance: R. Maginniss, P. Michaluk, B. Burns, E. Pellati, J. Bosse
Others in attendance: S. Gellar, R. Antonello, T. Compitello, P. McCann

Bond update: The committee discussed current projects, as well as the Phase 4 bid process, for which there were multiple bidders and good results. The Phase 5 projects will be submitted to the State Education Department by January 15. BBS is reviewing plans to possibly upgrade the field between Bayview and Kirdahy schools in the event the fields at Masera are sold to a developer.

Request for turf lights: The West Islip Soccer Club has requested that the district allow use of portable lights on the Barberry turf field. In consideration of neighbors in the area, the request is denied.

The Bridges Academy requests: The Bridges Academy has requested permission to replace the basketball court, replacing the blacktop with a better surface and purchasing new hoops.

PV Solar Panel Roof Project: On Thursday, Dec. 12, Mrs. Pellati and Mr. Bosse will meet with ECG to review and analyze the submittals and get directions and recommendations from ECG.

Willett's Creek/Lake Capri Remediation: The Willett's Creek remediation is on schedule. It is anticipated that the senior parking lot will be available for graduation.

The committee adjourned to Executive Session at 8:35 p.m.

The committee reconvened at 9:13 p.m.

The meeting adjourned at 9:14 p.m.
