### Buildings & Grounds Committee Meeting

Date: May 10, 2022  
Time: Following the Finance Committee meeting  
Location: Beach Street Middle School

#### Discussion Items

1. Construction projects - BBS presenting
  - a. General status update
  - b. District office security entrance
  - c. PJB parking lot expansion
  - d. Pool expansion/reconstruction proposal
2. Disc platform at Udall

#### Informational Items

1. The West Islip Public Library is planning to replace a large rooftop air conditioner. This project is being designed by an architect/engineer and will be submitted to NYSED for review and approval. Similar to previous library projects, the school district will be required to approve and sign off this project prior to NYSED review, although no cost will be incurred by the district.
2. The Westbrook rear parking lot was repaved during the April break. The Kirdahy rear parking lot and a portion of the side parking lot need repaving. Quotes are being gathered.
3. The PV solar roof project has commenced at the final building - Beach Street Middle School - and is expected to be completed in late May. If PSEG can meet June dates for testing and activation, then all school systems will be producing power before July 1.
