RE: Appointment of Members to CPSE and CSE

In accordance with the provisions of Section 4402 of the Education Law, 200.3, Section A the Board of Education of each school district shall appoint a *Committee on Special Education* and a *Committee on Pre-School Special Education*:

- (a) Each board of education or board of trustees shall appoint:
- (1) Committees on special education in accordance with the provisions of Education Law, section 4402, as necessary to ensure timely evaluation and placement of students. The membership of each committee shall include, but not be limited to:
 - (i) the parents or persons in parental relationship to the student;
 - (ii) not less than one regular education teacher of the student whenever the student is or may be participating in the regular education environment;
 - (iii) not less than one special education teacher of the student, or, if appropriate, not less than one special education provider of the student;
 - (iv) a school psychologist;
 - (v) a representative of the school district who is qualified to provide or supervise special education and who is knowledgeable about the general education curriculum and the availability of resources of the school district, provided that an individual who meets these qualifications may also be the same individual appointed as the special education teacher or the special education provider of the student or the school psychologist;
 - (vi) an individual who can interpret the instructional implications of evaluation results. Such individual may also be the individual appointed as the regular education teacher, the special education teacher or special education provider, the school psychologist, the representative of the school district or a person having knowledge

or special expertise regarding the student when such member is determined by the school district to have the knowledge and expertise to fulfill this role on the committee;

- (vii) a school physician, if specifically requested in writing by the parent of the student or by a member of the school at least 72 hours prior to the meeting;
 - (viii) an additional parent member of a student with a disability residing in the school district or a neighboring school district, provided that the additional parent member may be the parent of a student who has been declassified within a period not to exceed five years or the parent of a student who has graduated within a period not to exceed five years. Such parent is not a required member if the parents of the student request that the additional parent member not participate in the meeting;
 - (ix) other persons having knowledge or special expertise regarding the student, including related services personnel as appropriate, as the school district or the parent(s) shall designate. The determination of knowledge or special expertise of such person shall be made by the party (parents or school district) who invited the individual to be a member of the committee on special education; and
 - (x) if appropriate, the student.
- (2) committees on preschool special education in accordance with provisions of Education Law, section 4410 to implement the provisions of section 200.16 of this Part. The membership of each committee on preschool special education shall include, but not be limited to:
- (i) the parents of the preschool child;
 - (ii) not less than one regular education teacher of the child whenever the child is or may be participating in the regular education environment;
 - (iii) not less than one special education teacher of the child, or, if appropriate, not less than one special education provider of the child;
 - (iv) a representative of the school district who is qualified to provide or supervise special education and who is knowledgeable about the general education curriculum and the availability of preschool special education programs and services and other resources of the school district and the municipality. The representative of the school district shall serve as the chairperson of the committee;
 - (v) an additional parent member of a child with a disability residing in the school district or a neighboring school district and whose child is enrolled in a preschool or elementary level education program, provided that such parent is not a required member if the parent(s)

of the child request that the additional parent member not participate;

- (vi) an individual who can interpret the instructional implications of evaluation results, provided that such individual may also be the individual appointed as the regular education teacher, the special education teacher or special education provider, the school psychologist, the representative of the school district or a person having knowledge or special expertise regarding the student when such member is determined by the school district to have the knowledge and expertise to fulfill this role on the committee;
- (vii) other persons having knowledge or special expertise regarding the child, including related services personnel as appropriate, as the school district or the parents shall designate. The determination of knowledge or special expertise of such person shall be made by the party (parents or school district) who invited the individual to be a member of the committee on special education;
- (viii) for a child in transition from early intervention programs and services, the appropriate professional designated by the agency that has been charged with the responsibility for the preschool child; and
- (ix) a representative of the municipality of the preschool child's residence, provided that the attendance of the appointee of the municipality shall not be required for a quorum.

RE: Appointment of Impartial Hearing Officers

The following resolution is suggested for the Board of Education approval for the *2024 – 2025 school year*:

WHEREAS, the Regulations of the Commissioner of Education, Pursuant to Sections 207, 3214, 4403, 4404 and 4410 of the Education Law, Part 200, amended January 2007, Section 200.2(e) states that “the Board of Education or trustees of each school district shall establish a list of:”

- (1) The names and statement of the qualifications of each impartial hearing officer who is:
 - (i) certified by the Commissioner of Education pursuant to section 200.1(x)(2) of this Part and;
 - (ii) available to serve in the district in hearings conducted pursuant to Education Law section 4404(1). Appointment of impartial hearing officers pursuant to Education Law section 4404(1) shall be made only from such list and in accordance with the rotation selection process prescribed herein and the timelines and procedures in section 200.5(j) of this Part. Such names will be listed in alphabetical order. Selection from such list shall be made on a rotational basis beginning with the first name appearing after the impartial hearing officer who last served or, in the event no impartial hearing officer on the list has served, beginning with the first name appearing on such list. Should that impartial hearing officer decline appointment, or if, within 24 hours, the impartial hearing officer fails to respond or is unreachable after reasonable efforts by the district that are documented and can be independently verified, each successive impartial hearing officer whose name next appears on the list, shall be offered appointment, until such appointment is accepted. The name of any newly certified impartial hearing officer who is available to serve in the district shall be inserted into the list in alphabetical order.

See attached list.
